

Kasetsart University

A world-class university committed to teaching, research, and innovation leading to the sustainable development of society based on the knowledge of the land.

Kasetsart University International College

Kasetsart University International College (KUIC) is a new unit recently established by the Council of Kasetsart University. Located on the Bangkhen campus in Bangkok, KUIC not only incorporates the tasks carried out by a former unit called the International Studies Center (ISC) but also helps promote the academic excellence of Kasetsart University at the global level by providing exchange/non-degree/short course and training programs that fulfill the academic needs of people from around the world.
