

Why KUACT?

The Department of Accounting at Kasetsart University has been a leading provider of accounting education in Thailand for **more than 65 years**, since our first Bachelor of Accounting program was established in 1960.

Over the decades, our Thai program has built a strong reputation for academic excellence and professional success — with **over 90% of our graduates working at the Big Four accounting firms and major corporations** across Thailand and abroad.

Building on this legacy, we proudly launch the KUACT International Program in Accounting, **welcoming our first intake in 2026**.
